

Apollo Sunshine, Money

I wonder what I'd do if everyone forgot what money was
I know I would lose my job, but I would find the time
To do all those things I always wanted to do but never had the money
Or never had the time, cause I've always had to work
Oh la da da da da...
I wonder where I'd go if I could go away every weekday
And bring all of my friends
Would I always be happy?
If all this happened would we still play guitar?
Yeah we'd play guitar!
So I'm trying to figure out a way to get rid of money
But isn't it funny how much we all love money?
Oh la da da da da...
