

# ApologetiX, Baa! We're Lambs!

Baa Baa Baa Baa Baa we're lambs  
Baa Baa Baa Baa Baa Baa  
I'm a lamb- in God's hand- I'm a lamb  
He's got a flock of lambs who know him  
Robbers can not steal 'em from his hand

Baa Baa Baa Baa We're Lambs  
We went through the fence, looking for some friends  
God saw me scam so He brought me back again  
Cause I'm a lamb in God's hand  
You got to follow were He's goin'  
God'll take you to the Promised Land

Baa Baa Baa Baa Baa we're lambs  
Baa Baa Baa Baa Baa Baa  
I'm a lamb- in God's hand- I'm a lamb  
He's got a flock of lambs who know him  
Robbers can not steal 'em from his hand

Tried many moves- Tried getting loose  
Tried petting zoos but knew they wouldn't do  
Cause I'm a lamb in God's hand  
You got to follow where He's goin'  
God'll take you to the Promised Land  
Baa Baa Baa Baa we're lambs

Baa Baa Baa Baa Baa we're lambs  
Baa Baa Baa Baa Baa Baa  
I'm a lamb- in God's hand- I'm a lamb  
He's got a flock of lambs who know him  
Robbers can not steal 'em from his hand

Baa! We're lambs, Baa! We're lambs, Baa! We're lambs...
