Apoptygma Berzerk, Something I Should Know

I got a feeling That tells me something's wrong I guess I'm just jealous But I'm afraid you know something I should know

Got a feeling deep inside
That you know something I should know
I know that something isnt right
Cos I hold secrets too and you know

I got a feeling That tells me something's wrong I guess I'm just jealous But I'm afraid you know something I should know too

(repeat x4)
Got a feeling deep inside
That you know something I should know
I know that something isnt right
Cos I hold secrets too and you know

Got a feeling deep inside... (repeat to fade)
