====English====

If you have a heart that believes
You will reach the victory goal
A harsh reality, a dark destiny
Cut it off, Gravity Impact
(Sha la la)
Never give up fighting That is the condition of an Ace
(Sha la la)
Fight with sad memories Holding in memories in your heart

In between life and death there is only one dream to care for
Oh I'll be, I'll be Ace
Ace Attacker

If you have an indomitable feeling
You can fly to it, now, to victory
Crowding signs of the enemy, incoming crisis
Tear it all apart, Fang Slasher
(Sha la la)
So never cry That is the condition of an Ace
(Sha la la)
In my lonely heart Holding in faint feelings

In between life and death there is only one dream to wish for
Oh I'll be, I'll be Ace
Ace Attacker

In between life and death there is only one dream to hang on to
Oh I'll be, I'll be Ace
Ace Attacker
