

# Appleton, Hallelujah

i wake up in the morning  
pull the blinds and see the sunshine  
and i wonder if this monday, will wipe the rain of yesterday  
lets go fishing down the river  
lets go fly a kite on primrose hill  
take advantage of the sunshine  
theres no telling when the rain comes in  
i feel good, i feel fine  
kicked the flu last week now im alright  
come and meet me on the corner  
or just pick me up and we can drive  
past the city, feelin pretty  
blast the music on the radio  
i feel im walkin i maybe running  
with my favourite song im hummin  
da-da da da-da da da da-daaaa  
i walked in to my house, saw a spider in my bath-tub  
and when i screamed it went and ran  
cos it was just as scared as i was  
i call my mum to tell her i love her  
cos she always she been there for me  
see im blessed, with a family  
that will love me till eternity  
da-da da da-da da da da-daaaa  
and im glad to be alive  
da-da da da-da da da da-daaaa  
what ever its like outside  
da-da da da-da da da da-daaaa  
im just glad to be alive  
da-da da da-da da da da-da  
im dressing up, with no effort  
put my hair up in a pony tail  
my addidas are getting rugged  
ill go but myself another pair  
got a call from my boyfriend  
saying hell be here at seven  
said he made reservations, at our local dining station  
and as i walk down the street, a puddle soaking up my feet  
in the water theres reflections, of the city streets projections  
stand and face me, just in case you  
miss a chance out to embrace me  
keep on walking, holdin hands tight  
lets enjoy this dark and rainy night  
i staggered here i staggered there  
i ripped my skirt tonight but i dont care  
i got home, kissed my daughter  
and jumped into bed with my lover  
we listened to harry potter, on a cassette player audio  
da-da da da-da da da da-daaaa  
and im glad to be alive  
with you right by my side  
da-da da da-da da da da-daaaa  
you make me glad to be alive  
da-da da da-da da da da-daaaa  
what ever its like outside  
da-da da da-da da da da-daaaa  
im just glad to be alive  
da-da da da-da da da da-daaaa  
with you right by my side  
so scared of the strain  
and the pain  
and the rain  
and the heartache  
and the pain

and its all just a waste of time
