

April, Let These Feelings Go

It's been a while since you called out my name
Been spending time alone
And I could feel the pain
You said you loved me but more than a friend
I wasn't ready for it
I thought this should end
All those times you felt that we're more than friends
I couldn't lie to you
I could not pretend

CHORUS

Baby
I'm going crazy
I'm losing my mind
Though it hurts deep inside
Baby
I've got to let you know
That these feelings that you have
Boy you've got to let these feelings go

When you called to say just how you feel
Well give me this chance my love
Time will reveal
I didn't want to change the way we were then
You were true to me
Friends 'til the end
I think about the day when we first met
But I don't want to make a choice we'll regret
Regret
CHORUS

I didn't want to change the way we were then
You were true to me
Friends 'til the end
But you wanted more than what I could give
To be that one true love for as long as we live
CHORUS (chorus til fade)
