

# April Start, Out Of This World With Proto Zoa

Your smile hits me single time that i see you  
your eyes, take me away  
i don't know really know what this is gonna lead to  
but its like  
I'm floating in space

you took me somewhere that I've never been before  
there's a whole new place waitin'  
when you open up the door!

your out this world  
i knew that you could make  
it you didn't have to fake it  
you never cut me down

your this world  
i knew that you would, make didn't to fake it  
keep your head don't look down

proto zoa's part

the stars  
like a diamond of about the moon has fallen  
i know that wish is come true
