April Wine  
Walking Through Fire  
Hold On  
Written by: myles goodwyn

Why do i speak if no one hears  
Who can i turn to if you're not there  
And why do i carry on the way that i do  
Why do i question myself like this over you

'cos trouble and sorrow - it's all i can feel  
There's so much confusion it seems so unreal

Hold on - to our own selves be true  
Hold on hold on  
Hold on - let's see this love through  
Hold on hold on

Why do we have to act so foolishly  
Hurting one another - you and me  
All we have to do is try more now and then  
And who's to say that we can't make things right again

Heartaches and sorrow it's bringin' us down  
There's so much to give let's turn this love around

Hold on - to our own selves be true  
Hold on hold on  
Hold on - let's see this love through  
Hold on hold on  
Hold on just hold on to me  
Hold on hold on  
Hold on you know our love will be  
Hold on

I don't wanna hear that loving you is wrong  
I only know these words will have to make us strong  
It's the things we say but more the things we do  
And what i wanna say is "baby i love you"

Heartaches and sorrow it's bringin' us down  
There's so much to give let's turn this love around

Hold on - to our own selves be true  
Hold on hold on  
Hold on - let's see this love through  
Hold on hold on  
Hold on just hold on to me  
Hold on hold on  
Hold on you know our love will be  
Hold on hold on  
Hold on
