Baby don't tell me what's on your mind
I get it mixed up baby, all the time
Well it's true, oh honey it's true, yeah
And all i wanna do tonight is just rock with you
Well somebody said you was long and lean
Best lookin' woman that they ever seen
Well alright, it's alright, yeah
And all i wanna do tonight is just rock with you

We're gonna keep on rockin' (keep on rockin')
Keep on rockin' (keep on rockin')
Don't want nothin' (don't want nothin')
But the real thing (but the real thing)
I can tell that you wanna go all night, well alright
If i have my say (have my say)
You're gonna get your way (keep on rockin')
What did i say (keep on rockin')
What did i say (keep on rockin'), alright

Well you need me baby, and you know it's true
I want none of this steppin' out with you
Well alright, it's alright, yeah
And all i wanna do tonight is just rock with you

We're gonna keep on rockin' (keep on rockin')
Keep on rockin' (keep on rockin')
Well i don't want nothin' (don't want nothin')
But the real thing (but the real thing)
I can tell that you wanna go all night, well alright
If i have my say (have my say)
You're gonna get your way (keep on rockin')
What did i say (keep on rockin')
What did i say (keep on rockin'), alright

I'll pick you up baby, about quarter to nine
God bless my soul, i'll be right on time
Well it's true, oh honey it's true, oh yeah
We're goin' to a party, i'll be dancin' all night with you

We're gonna keep on rockin' (keep on rockin')
Keep on rockin' (keep on rockin')
Don't want nothin' (don't want nothin')
But the real thing (but the real thing)
I can tell that you wanna go all night, well alright
If i have my say (have my say)
You're gonna get your way (keep on rockin')
What did i say (keep on rockin')
What did i say (keep on rockin'), alright
