

# April Wine, Talk To Me

Tell me everything you want  
Tell me everything you need  
and I won't judge where you've been  
I won't judge the things you say  
cause I couldn't love you anymore than I do now  
I'll give you hope my love  
I'll show you how

When you can't go on  
When you can't get free  
When you think about loneliness  
You Talk To Me

I always can't be beside you,  
but know that I'm still there  
and I love you more and more  
I just want to make that clear

When everything builds up  
and still you feel let down  
When you feel like you're goin' now where  
I'll be around

When you can't go on  
When you can't get free  
When you think about giving up  
You Talk To Me

Just know, I'm the one who cares  
and trust can lead you anywhere

I watch you as you walk alone  
I'm with you all the way  
As you try and find your place  
I'm with you everyday  
Yeah the road is long  
and it's the way of life  
So lift up your head my love  
It'll be all right

When you can't go on  
When you can't get free  
When you feel like you are going nowhere  
You Talk To Me

When you can't go on  
When you can't get free  
When you feel like giving up  
You Talk To Me  
Haaa You Talk To Me
