## April Wine, You Won't Dance With Me

April Wine Forever For Now You Won't Dance With Me (myles goodwyn) Published by goody two tunes, inc. - bmi

When i try to phone, they say you're not at home I don't believe that it's true And when we fool around, you always put me down Now what am i supposed to do

When you won't dance with me And you won't hold hands with me And that's not the way to be Girl, you're treating me bad

It's hard to say (it's hard to say) What i have to say (what i have to say) And i hope you understand (and i hope you understand) But jill told fred (but jill told fred) You wish i'd drop dead (you wish i'd drop dead) Now what am i goin' to do

When you won't dance with me And you won't hold hands with me And that's not the way to be Girl, you're treating me bad So why should i bother to try And why should i cry When you don't want my love When you don't want my love

I used to walk you home, now i walk alone And it seems that you don't care And when we're at school, you say i'm a fool Why must you treat me so unfair

And you won't dance with me And you won't hold hands with me And that's not the way to be Girl, you're treating me bad So why should i bother to try And why should i cry When you don't want my love When you don't want my love
