

# April, Wrap Me In Your Arms

A ship floating all alone  
On a sea of tears  
I washed up on your shore  
You took away my fears  
I hope were stranded here  
For years and years

I found someone who's got me understood  
Some one who promises to treat me good  
Until forever, for-ever

I've got the world  
I have it all  
In your arms [wrapped in your arms]  
The only place I want to fall,  
Is in your arms [wrapped in your arms]  
Just keep me safe and warm  
And wrap me in your arms

Walking in the park  
Were just holding hands  
Sharing these growing pains  
I know you understand  
The thought of being without you  
Makes me so so sad

My night in shining armor rescues me  
Professing love for me so gallantly  
Until Forever, for-ever

I've got the world  
I have it all  
In your arms [wrapped in your arms]  
The only place I want to fall,  
Is in your arms [wrapped in your arms]  
This feeling is so strong  
baby wont you  
[wrap me in your arms]  
Just keep me safe and warm  
baby wont you  
[wrap me in your arms]  
The only place that i belong  
is wrapped up in your arms

I don't feel a thing when you protect me  
I'm not afraid, afraid at all  
I'm not scared  
Wrapped up in your arms

I've got the world  
I have it all  
In your arms [wrapped in your arms]  
The only place I want to fall,  
Is in your arms [wrapped in your arms]  
This feeling is so strong  
baby wont you  
[wrap me in your arms]  
Just keep me safe and warm  
baby wont you  
[wrap me in your arms]  
The only place that i belong  
is wrapped up in your arms
