

Aqua Teens, Doctor Jones

Sometimes, the feeling is right,
you fall in love for the first time
heartbeat, and kisses so sweet,
summertime love in the moonlight.

Now that summer is gone, you had to go back home.
Please come and see me again, I never felt more alone.
Baby, Im missing you
I want you by my side.
And I hope you miss me too
Come back and stay.
I think about you every day
I really want you to.
You swepted my feet right off the ground, you're the love I found.

Doctor Jones, Jones,
Calling Doctor Jones
Doctor Jones, Doctor Jones,
Get up now.
Wake up now.

Doctor Jones, Jones,
Calling Doctor Jones
Doctor Jones, Doctor Jones,
Wake up now.
Wake up now.

All I think of is you,
and all of the things we had,
Doctor, what can I do?
Why does he have to be like that?

Baby, Im missing you
I want you by my side.
And I hope youll miss me too
Come back and stay.
I think about you every day
I really want you to.
You swepted my feet right off the ground, your the love I found.
