Aqua Teens, Good Guys

You dream a dream But you never wake up You're so afraid That the dream is over

Open your eyes and you'll see Daydreaming won't concur me Won't concur me, no it won't concur me

Cause only the good guys can get, what they're coming for And all of the dreamers must take, what's apart Only the good guys receive, what they came here for And all of you dreamers, will leave with a broken heart

Reality You better face it Your blood is red One bite, you'll taste it

Open your eyes and you'll see Daydreaming won't concur me Won't concur me, no it won't concur me

Cause only the good guys can get, what they're coming for And all of the dreamers must take, what's apart Only the good guys receive, what they came here for And all of you dreamers, will leave with a broken heart

Cause only the good guys can get, what they're coming for And all of the dreamers must take, what's apart Only the good guys receive, what they came here for And all of you dreamers, will leave with a broken heart

Only the good guys can get, what they're coming for And all of the dreamers must take, what's apart Only the good guys receive, what they came here for And all of you dreamers, will leave with a broken heart
