PIZZA DAY

Well I remember my first day at public school  
I was very scared of getting pummeled  
And sure enough I did at first recess  
I got pegged in the head by a big red ball  
It stung and my head hung  
Back to class with a bloody nose  
And soon it was lunchtime  
Mom said I should ask about how poor kids can get fed  
So I got a book of tickets and a schedule and it read:  
Monday - Hot Dog, Tuesday - Taco  
Wednesday - Hamburgers and Chocolate Milk  
Thursday - Sloppy Joes and burritos in a bag  
Friday was Pizza Day, the best day of the week  
All the kids would line up super early just to eat  
Monday - Hot Dog, Tuesday - Taco  
Wednesday - Hamburgers and Chocolate Milk  
Thursday - Sloppy Joes and burritos in a bag  
Friday was Pizza Day, the best day of the week  
It always came with salad and a side of cold green beans  
Hooray for Pizza Day  
Hooray for Pizza Day  
I miss Pizza Day  
The best day of the week  
Well, I remember my first day in Jr. High  
I had hairspray in my hair  
And my pants were way too tight  
And all the breakers and new wavers  
And the rockers and the preps  
Would all be in their places  
On the front lawn or the steps  
I hung out with some punker kids  
Who used to make me laugh  
I got thrown in the dumpster  
By some rich kids near the caf
