PIZZA DAY

Well I remember my first day at public school
I was very scared of getting pummeled
And sure enough I did at first recess
I got pegged in the head by a big red ball
It stung and my head hung
Back to class with a bloody nose
And soon it was lunchtime
Mom said I should ask about how poor kids can get fed
So I got a book of tickets and a schedule and it read:
Monday - Hot Dog, Tuesday - Taco
Wednesday - Hamburgers and Chocolate Milk
Thursday - Sloppy Joes and burritos in a bag
Friday was Pizza Day, the best day of the week
All the kids would line up super early just to eat
Monday - Hot Dog, Tuesday - Taco
Wednesday - Hamburgers and Chocolate Milk
Thursday - Sloppy Joes and burritos in a bag
Friday was Pizza Day, the best day of the week
It always came with salad and a side of cold green beans
Hooray for Pizza Day
Hooray for Pizza Day
I miss Pizza Day
The best day of the week
Well, I remember my first day in Jr. High
I had hairspray in my hair
And my pants were way too tight
And all the breakers and new wavers
And the rockers and the preps
Would all be in their places
On the front lawn or the steps
I hung out with some punker kids
Who used to make me laugh
I got thrown in the dumpster
By some rich kids near the caf
