

# Aqualung, Nowhere

So  
Is it over  
Time  
Would have told you  
Piece  
By piece  
Til the stillness  
Echoing  
No-one  
Nothing  
Nothing  
No-one  
Could make me feel  
The way I'm feeling  
No-one  
Hands  
Let me hold you  
Eyes  
Let me see your face  
Smile again  
As the world  
Goes tumbling  
There is  
Nowhere  
I would rather spend  
These lazy crazy days  
Then here  
Nowhere  
mmmmm.....  
baby
