

Aqualung, Tongue-Tied

I'm tongue tied
Waiting
Hoping
And praying
Lying
Beside you
Longing
To touch you

But this feels like the end

So tired
We are
Drifting
Too far
Eyes closed
Tightly
Thinking
There might be
Some way

But this feels like the end

What went wrong
I need to know
I can feel
You're letting go
Though there is
So much to say
I'm tongue tied
Tongue tied
Waiting

I'm tongue tied
Waiting
Hoping
And praying
So near
Yet so far
Alone
Together

Still this feels like the end
Still this feels like the end
Still this feelslike the end
Feels like the end
