

# Aqualung, Tongue-Tied

I'm tongue tied  
Waiting  
Hoping  
And praying  
Lying  
Beside you  
Longing  
To touch you

But this feels like the end

So tired  
We are  
Drifting  
Too far  
Eyes closed  
Tightly  
Thinking  
There might be  
Some way

But this feels like the end

What went wrong  
I need to know  
I can feel  
You're letting go  
Though there is  
So much to say  
I'm tongue tied  
Tongue tied  
Waiting

I'm tongue tied  
Waiting  
Hoping  
And praying  
So near  
Yet so far  
Alone  
Together

Still this feels like the end  
Still this feels like the end  
Still this feelslike the end  
Feels like the end
