

# Aquaria, Here Comes The Life

Is the mystery in the land  
A sea that never ends?  
The sun is rising  
Once again  
Now it's time for us to share  
You are my mom, don't let  
The rules of nature  
All turn back  
Feel the wind blows in your hair  
Dancing quiet above the land  
The first act has begun  
Here Comes The Life  
Bringing light to Earth  
Spread the seeds along the sand  
To grow beyond horizon's end  
Now it's time to go ahead!  
Now the sounds are travelling through all the land  
They have control of my story's end  
I'll let the notes of life play  
On their own  
I will never have my secrets revealed  
As already are they all sealed  
I'll keep the key of justice in my heart  
Oh, my son, I will be your guide  
Oh, feel my strength flow in my veins  
I am here to claim the throne  
-the queen will rise to reign the earth-  
Be the judge of this future world  
All my life I've waited for this role  
I'll fulfill my promise now  
Here Comes the Life  
To glorify my name  
Now my realm will arise  
In my womb will become ripe  
I'll be there to guard our home  
Oh, my son, I will keep your heart  
Oh, here's my reign  
Angels guard its gates  
I have given all my force  
To build the cradle of the world's creation  
And I bless you with seven seas of life  
Purified with holy light  
Here Comes The Life  
Giving course to Earth  
Now the nature crawls alone  
And the miracle is done  
Waiting for what will come soon.
