

# Arallu, Jewish Devil

Here we are after the holocaust  
This is no nothing  
We are satan's sons  
And always we'll be !!!  
You're trying to destroy us  
We revenge their blood.  
From the gates to hell  
We demolish it out  
to the heart of satanic land.  
The land in the middle of the sky.  
&quot;Satanic war in Jerusalem&quot;  
&quot;Satanic war in Jerusalem&quot;  
Here comes the massacre...  
The massacre is huge  
Destroys, finishes, tears them  
To pieces.

All religions - blood is spilled  
On the holy land, the ground of  
The dead.  
God is dead, we rule the earth  
Despite holocaust, we are here  
Jews as Genii in the world of  
The dead.  
Strong, survive in the world of  
The living.  
The war of the end,  
And we're here  
The &quot;dance of the Genii&quot;.  
We are satan's sons, we'll kill  
Your god !
