

Arash feat. Rebecca, Suddenly

(Rebecca)

Suddenly I'm flying, flying high in the sky
I can feel that i can catch the moon
The wind Whispers you're gonna be here soon

(Arash)

(Rebecca)

Suddenly I'm flying, flying high in the sky
I can feel that i can catch the moon
The wind Whispers you're gonna be here soon
Suddenly I'm dreaming, I'm walking under the sun
As the morning comes and i wake up
You are with me and the sun is up

(Arash)
