

# Arc Angels, Sent By Angels

Arc Angels  
Arc Angels  
Sent By Angels  
I can see angel eyes  
And I feel myself arise  
Well I know, you're so wonderful  
And I know, you're not from this world

You were sent by angels  
From the sky above  
Sent by angels

I can feel you when I fantasize  
I could show you when I'm inside  
Then I'll know you're so wonderful  
And I know you're not from this world

You were sent by angels  
From the sky above  
Sent by angels

I can see the other side  
I can hear the distant cry  
And I know you're so wonderful  
And I know you're not from this world

You were sent by angels  
From the sky above  
Sent by angels
