

# Arcade Fire, Ocean Of Noise

In an ocean of noise  
I first heard your voice  
Ringing like a bell  
As if I had a choice, oh well!

Left in the morning  
While you were fast asleep  
Into an ocean of violence  
A world of empty streets

You've got your reasons  
And me I've got mine  
But all the reasons I gave  
Were just lies to buy myself some time

In an ocean of noise  
I first heard your voice  
Now who hear among us  
Still believes in choice?  
Not !!

No way of knowing  
What any man will do  
An ocean of violence  
Between me and you

You've got your reasons  
And me I've got mine  
But all the reasons I gave  
Were just lies to buy myself some time

I'm gonna work it out  
Cause time wont work it out  
I'm gonna work it out  
Cause time wont work it our for you  
I'm gonna work it on out
