# Arcade Fire, Surf City Eastern Block

Its a shame about the roadblock, were afraid that well get caught or stopped
lets go right now, surf city eastern block
Im in the trunk my surf board on top

the eighties aint been kind to anyone, i just wanna find myself some sun
its 1984, were on the run, goodbye Berlin, hello Autobahn

its a shame about the roadblock, if they catch us, we wont ever talk
lets go right now surf city eastern block, Im in the trunk when the inspector knocks
