## Arcade Fire, Vampires / Forest Fire

You wanna be set apart? Burn all of your art repair the wasteful part Im a vampire in a forest fire Hey! we all gotta keep warm driving towards the storm

Your father was a pervert
Face down in the dirt
He taught you how to hurt
My father was a miner who lived in the suburbs
Lets live in the suburbs
If I let where Im from burn I can never return!

My brother reads you and me his new poetry How embarassing Your sister pours the gasoline Ill fix your meals while your burns heal!

Find a house you dont have to rebuild Stone by stone, brick by brick, nail by nail my father never meant to leave me this Let this love last I drive too fast Said Id return if Id ever cared But theres no interstate I find to take me there
