

# Archive, Come To Me 2

Come to me my baby  
Come to me my love  
Come to me my darling tonight  
Cos we're here tonight  
On our own all night  
Yes we're here tonight  
Gonna make it so right

You're the best thing in my life  
You're the best thing in my life

Hold on my baby  
Hold on my love  
Hold on my darling tonight  
Cos I'm here tonight  
On my own all night  
Yes I'm here tonight  
Gonna make it so right

You're the best thing in my life  
You're the best thing in my life  
You're the best thing in my life

In my life  
In my life

In my life

'Love Song '  
All this time I'm distracted from the world  
The world outside of your arms  
All I need is here

Try and find, a way to say the things  
The things I feel when you smile  
They take away my words

You know, that people come and go  
It's here for me  
When things in life run me down  
All I need is you

You wanted a love song  
You asked for a love song  
You wanted a love song from me  
You asked for a love song from me  
Now there's a love song for you

Yeah, I know, I don't hear you, I don't see you, I can't feel you  
You know, it's always my fault, communication is such a let down  
I ain't proud of my behaviour  
I thank the lord, you're still here (Repeat x 6)

Yeah I know that I push you  
Yeah I know that I push you  
Yeah I know, yeah I know, yeah I know that I push you

I know that I push you (Repeat x 7)

Try and find, a way to say the things  
The things I feel when you smile  
They take away my words  
You know, that people come and go  
You wanted a love song from me

You asked for a love song from me  
Now there's a love song for you
