

Archive, Feel It

There's a hole
A hole in we lies
Can't be broken
Split in the life
So live for the time

Feel It!
Feel It!

Evacuated soul
Souls in the light
Emotions in night
Can't put up the fire

Feel It!
Feel It!
Feel It!

A hold in the night
Keep it in the light
Breaking your mind

Feel It!
Feel It!
Feel It!
Feel It!
