

Archive, Rest My Head On You

Was such a lovely day
It was so easy
And all that I wanted to do
Was to rest my head on you
On you, on you, on you
To rest my head on you
All I wanted to do
Was rest my head on you
All I want
All I want to do
Is rest my head on you
All I wanna do
All I, all, all I, all, all I, all, all I ...
All I wanna do
Is rest my head on you
