

# Archive, Surrounded By Ghosts

There's a war  
There's a war still raging  
Battle cry  
Battle cry ain't fading

And if we stay alive  
We can tell them what we've done  
And if you stay alive  
You can tell them what we've won  
So surrounded by ghosts

All the Gods  
All the Gods are waiting  
Call to arms  
Call to arms and angels
