

# Archive, The Way You Love Me

It's not the way you use me  
It's not the way you're sad  
It's not the way you hold me  
It's not because you take  
It's not the wrong direction  
It's not the same mistake  
It's the way you love me  
It's the way you love me  
It's not the way your hands are  
There's not a single day  
There's not a lot to say about the days you hurt me  
The days you make me cry out loud  
There's not a lot to say about the days you pass me by  
Until I say goodbye  
It's the way you love me  
It's the way you love me  
Just the way you love
