

Arctic Monkeys, Love Machine

Ladies you're damn right
You can't read a man's mind
We're living in two tribes
And heading for war
Nobody's perfect
We've all got to work it
But fellas we're worth it
So don't break the law

Your call's late
Big mistake
You've gotta hang about in limbo for as long as I take
Next time
Read my mind
And I'll be good to you
We're gift wrapped
Kitty cats
We only turn into tigers when we've got to fight
(Right)
Let's go
Eskimo
Out into the blue

Come take my hand
Understand
That you can
You're my man
And I need you tonight
Come make my dreams
Honey hard as it seems
Lovin' me
Is as easy as pie

I'm just a love machine
Feeding my fantasy
Give me a kiss or three
And I'm fine
I need a squeeze a day
Instead of this negligee
What will the neighbors say
This time

I've been goin' crazy while you sleep
Thinkin' of a language that the two of us can speak
So Mr. Prehistoric make your wheel
And I'll be underwater 'cause I like the way it feels

(I said) Your call's late
Big mistake
You've gotta hang about in limbo for as long as I take
Next time
Read my mind
And I'll be good to you
We're gift wrapped
Kitty cats
We only turn into tigers when we've got to fight

Oh
It's very new
Can anybody tell me what to do
Oh
This feeling's very strange
Can anybody tell me what's your game

Oh
A little education
Oh
To give me motivation
Oh
We'll turn the situation
'Round

Oh
Oh
Making you a stranger
Oh
I'll only rearrange you
For now

(Oh) I'm just a love machine
Oh
So give me motivation
(Oh) I'm just a love machine

(Oh) I'm just a love machine
Oh
So give me motivation
(Oh) I'm just a love machine
