

# Arctic Monkeys, Ravey Ravey Ravey Club

She's the victim, well fuck all that we ain't goin home today  
And she's been too much magic beans to walk all men away  
And she's been eatin' too much magic beans to walk all men away  
Put up your picture and the playful love will get around  
Yeah but we'll get around yeah  
Yeah but we'll get around

Well everyones felling alright  
I won't be sleeping today  
No I won't be sleeping tonight

We're felling silly, I'm feeling oh so sick  
And I can't see you through the smoke because the clouds so thick  
And theres a fire as your dancing to the disco sound  
Put up your picture baby and love will get around  
Yeah but we'll get around yeah  
But yeah we'll get around

Everyone's feeling alright  
I won't be sleeping today  
And I won't be sleeping tonight
