You Don't Know Me

You give your hand to me And then you say hello  
And I can hardly speak My heart is beating so  
And anyone can tell You think you know me well  
But you don't know me

No you don't know the one Who dreams of you at night  
And longs to kiss your lips Longs to hold you tight  
Oh I am just a friend That's all I've ever been  
Cause you don't know me

I never knew the art of making love  
No my heart aches with love for you  
Afraid and shy I let my chance go by  
The chance that you might love me too

You give your hand to me And then you say goodbye  
I watch you walk away beside the lucky guy  
Oh you will never know The one who loves you so  
Well you don't know me

You give your hand to me And then you say goodbye  
I watch you walk away beside the lucky guy  
Oh you will never know The one who loves you so  
Cause you don't know me  
Oh no you don't know me  
OOhh...you don't know me
