You're my everything, underneath the sun

You're my everything rolled up into one;

You're my only dream, my only real reality,

You're my idea of a perfect personality;

You're my everything, everything I need,

You're the song I sing, and the book I read;

You're a-way* beyond belief, and just to make it brief,

You're my winter, summer, spring,

My Everything.
