Area-7, Mind Games

I never thought that it would come to this,
I never thought that you would ever try to tear my world apart,
Turn it upside down.
Was it something that I said to you?
Was there something that I could have done to make it all work out,
Turn everything around.
And then I knew it was finally over,
When you tried to take control of my life.
Now all I know, is that...

- I don't wanna play your mind games.
- I don't wanna drive you insane.
- I don't wanna play your mind games.
- I don't wanna know you anymore.

You always tried to tell me what to do, You never thought that I would ever stand up to your selfish games, While you just stood there calling names. And now my hands are tied behind my back, And there is nothing I can do to try to get you back again, Get you on my side.
