

# Aretha Franklin, April Fools

April fools, April fools  
April fools, April fools  
April fools, April fools  
April fools, April fools  
In an April dream, once you came to me  
You smiled, I looked into your eyes  
And I knew I'd be loving you and  
Then you touched my hand  
And I knew April dreams could come true  
Are we just April fools  
Who can't see all the danger around?  
Are we just April fools?  
I don't care, true love has found us now  
April fool, true love's found us now  
April fool, true love's found us now  
Little did we know, where the road would lead  
Here we are a million miles away  
From the past, travelin' so fast and  
There is no turning back  
If our sweet April dream doesn't last  
Are we just April fools  
Who can't see all the danger around us?  
Are we're just April fools?  
I don't care, true love has found us now  
April fool, true love's found us now  
April fool, true love's found us now  
April fool, true love's found us now  
April fool, true love's found us now  
Little did we know where the road would lead  
Here we are a million miles away  
From the past, travelin' so fast  
And there's no turning back  
If our sweet April dream doesn't last  
Are we just April fools  
Who can't see all the danger around us?  
Are we're just April fools?  
I don't care, true love has found us now  
April fool, true love's found us now  
April fool, true love's found us now  
April fool, true love's found us now  
April fool, true love's found us now  
April fools, April fools  
April fools, April fools  
April fools, April fools  
April fools, April fools  
April fool, true love's found us now  
April fool, true love's found us now  
April fool, true love's found us now  
April fool, true love's found us now
