

Aretha Franklin, Christmas Ain't Christmas (Without

Christmas just ain't Christmas
Without the one you love
New Year's just ain't New Year's
Without the one you love
Underneath the mistletoe
I saw his face all aglow
Last year this time
Now I'm staying home alone
And this house ain't a home
Without that man of mine
Christmas just ain't Christmas
Without the one you love
New Year just ain't New Year's
Without the one you love
Twelve o'clock and all is well
And I was doing, oh, so swell
Last year, this time
Goin' shopping for presents together
Vowing to leave each other never
It was a waste of time
Christmas just ain't Christmas
Without the one you love
New Year just ain't New Year's
Without the one you love
Christmas just ain't Christmas
Without the one you love
New Year just ain't New Year's
Without the one you love
Christmas just ain't Christmas
Without the one you love
New Year's just ain't New Year's
Without the one you love
