

Aretha Franklin, Oh Me Oh My (I'm A Fool For You)

To make you laugh, I would be a fool for you
Although the people turn and stare, I really don't care
I would give my everything to keep you, boy
It breaks my heart when you're not there
I'll stage a ballet on a tabletop
Command performance finger size
And although I ain't got no tune, my show ain't gonna fly
I'll find the music there in your eyes
Oh me, oh my, I'm a fool for you, baby
Oh me oh my, I am crazy, baby
Oh me, oh my, yeah, I'm a fool for you, baby
C'mon let your love light shine on me
We'll blow a genie from a cigarette
And then we'll take a magic carpet ride, yes we will
And we'll tell our smokey friend, "Hey don't you forget
Because you've got to keep us side by side, yeah"
Oh me, oh my, I am a fool for you, baby
Oh me, oh my, you know that I am crazy, baby
Yes you do, oh me, oh my, whoa, oh I'm a fool for you, baby
Come on let your love light shine on me
Would you do that?
Come on let your love light shine
Just a little bit right on me
Oh, come on let your love light
Shine on me, oh hear me now
Oh me, me oh my, I'm a fool, oh, for you baby
Oh me, oh my
You know that I'm crazy, baby
