

Ari Koivunen, Give Me A Reason

Time

Time is my only friend

It keeps me alive

With things we pretend

Why

Why can't I close my eyes

Just lay down by myself

And fly to the skies

refrain:

Pushing me down, around and around

Trying to keep it in control

Tear me apart take a piece of my heart

And time has taken its toll

Now I'm broken

But I open my arms

and I yell to the world

But my voice can't be heard

I am stronger, no longer

in the dark

'cause you give me a reason

to go on

I, I feel the pain in me

it crawls through the walls of my darkest memories

refrain

'cause you give me a reason

You give me a reason

to go on

I know what I want

And I know what I need

But sometimes I fall and I bleed

Now I'm broken

But I open my arms

and I yell to the world

But my voice can't be heard

I am stronger, no longer

in the dark

'cause you give me a reason

you give me a reason

yeah you give me a reason

to go on
