

# Ariana Grande, Let Me Love You (ft. Lil Wayne)

[Verse 1: Ariana Grande]

I just broke up with my ex  
Now I'm out here single, I don't really know what's next  
But I ain't even trippin', I'mma chill and sit back  
And I know they will be coming from the right and the left, left, left  
I just broke up with my ex  
You're the one I'm feeling as I'm laying on your chest  
Good conversation got me holding my breath  
And I don't normally say this but goddamn you're the best, best, best

[Pre-Chorus: Ariana Grande]

And if it feels right, promise I don't mind  
And if it feels right, promise I'll stay here all night

[Chorus: Ariana Grande]

Just let me lo-o-o-o-o-o-o-love you, you  
Just let me lo-o-o-o-o-o-o-love you, you  
Just let me lo-o-o-o-o-o-o-love you, you  
Just let me lo-o-o-o-o-o-o-love you, you

[Verse 2: Ariana Grande]

As I'm laying on your chest  
I'll be out here thinkin' 'bout it, boys just to guess  
Some of them keep telling me I'm better than the rest  
And I ain't tryna rush you, but goddamn I'm a mess, mess, mess

[Pre-Chorus: Ariana Grande]

And if it feels right, promise I don't mind  
And if it feels right, promise I'll stay here all night

[Chorus: Ariana Grande]

Just let me lo-o-o-o-o-o-o-love you, you  
Just let me lo-o-o-o-o-o-o-love you, you  
Just let me lo-o-o-o-o-o-o-love you, you  
Just let me lo-o-o-o-o-o-o-love you, you

[Verse 3: Lil Wayne]

I say, "Girl, you need a hot boy"  
She say, "you need to stop fuckin' with them thots, boy"  
I say you need a real nigga she said yes Lord  
And what you need your ex for? I'm triple X, Lord  
Okay, Ariana my lil mama, goodbye to the good girl  
My ex tripping, it's no Biggie, I 2Pac shook her  
I'm laid up with my new thing  
She lay her head on my new chain  
Then the mood change  
My name change from Lil Wayne to Oooh Wayne  
Oh Lord, she grinding on this Grande  
Oh Lord, I'm drowning, I'm gonna need that coast guard  
And when it comes to that nigga, I give her amnesia  
She just looking for love  
She says she single and I'm her feature, oh my God

[Chorus: Ariana Grande {Lil Wayne}]

Ariana:
