

# Ariana Grande, R.E.M.

## [Verse 1]

Mhmm, last night, boy, I met you, yeah  
When I was asleep (asleep)  
You're such a dream to me, mmm woah  
And it was on a day like this, yeah  
If you can believe  
If you can believe (if you can believe)  
You're such a dream to me

## [Chorus]

Before you speak, don't move  
'Cause I don't wanna wake up  
Wake up, wake up, wake up  
Don't wanna wake up, oh  
Wake up, wake up, wake up  
Boy, you're such a dream  
If you can believe, babe  
Boy, you're such a dream to me

## [Verse 2]

"Excuse me, um, I love you"  
I know that's not the way to start a conversation trouble  
I watch them other girls when they come and bug you  
But I felt like I knew you, so I just wanted to hug you  
Plus you don't know your way around  
You can stop your playing now  
All your worries, lay 'em down, shh, don't say it loud  
Is this real, baby?  
(Bum, bum, bum, bum, bum, bum, bum, bum, bum, bum)  
You like?  
"I love you"  
Who starts a conversation like that? Nobody but I do  
But you are not a picture, I can't cut you up and hide you  
I'll get you out my mind, mhm, I tried to  
But I just want to stand and yell  
I will never dare to tell  
Think I heard some wedding bells, shh, keep it to yourself  
Is this real? (Is this real?)

## [Chorus]

Before you speak, don't move  
'Cause I don't wanna wake up  
Wake up, wake up, wake up  
Don't wanna wake up, oh no  
Wake up, wake up, wake up  
'Cause you're such a dream  
If you can believe  
You're such a dream to me, mmm, boy

## [Verse 3]

I could buy you anything, but I cannot buy you  
Before your boy gets smart, I would never try to  
You know I'm thinking to myself, "What happened, why you?"  
But when I see you in my dreams, psh, I knew  
You know how to treat it, you know how to eat it  
You know how to beat it (I know how to keep it)  
The Good Housekeeping Seal  
(Bum, bum, bum, bum, bum, bum, bum, bum, bum, bum)  
I don't just wanna touch you  
I'm tryna turn two single people into a couple  
What's your next month like? Tell me what you're up to  
We can leave right now, boy, you don't need a duffel  
What about La Perla? Let Vickie keep her secret  
Boy it ain't no secret if I know you're gonna peep it, oh

[Chorus]

Before you speak, don't move  
'Cause I don't wanna wake up  
Wake up, wake up, wa-wake up  
Wake up, wake up, wake up, wa-wake up  
(No I don't want, no)

[Post-Chorus]

'Cause you're such a dream (does this end?)  
If you can believe, you're such a dream to me  
To me, mmm, boy, to me
