in case you haven't noticed well, everybody's tired and healing from somebody or something we don't see just right

boy come on put your lipstick on (no one can tell you nothing) come on and walk this way through the fire (don't care what's on their mind) and if you find yourself in a dark situation just turn on your light and be like

"yes, and?"
say that shit with your chest..... and
be your own fuckin best..... friend
say that shit with your chest.....
keep moving like "what's next?"
"yes, and?"

now i'm so done with caring what you think, no i won't hide underneath your own projections or change my most authentic life

boy come on put your lipstick on (no one can tell you nothing) come on and walk this way through the fire (don't care what's on their mind) and if you find yourself in a dark situation just turn on your light and be like

"yes, and?"
say that shit with your chest..... and
be your own fuckin best..... friend
say that shit with your chest.....
keep moving like "what's next?"
"yes, and?"

my tongue is sacred, i speak upon what i like protected, sexy, discerning with my time your energy is yours and mine is mine what's mine is mine

my face is sitting i don't need no disguise don't comment on my body, do not reply your business is yours and mine is mine why do you care so much whose! i ride why?

"yes, and?"
say that shit with your chest..... and be your own fuckin best.....friend say that shit with your chest..... keep moving like "what's next?"
"yes, and?"
