In The Embrace Of Tru

I am not tempted by your paradise of lies.

Never will I fester in the bowels of  
decadence.

Committed to nobility  
for a higher destiny,

in the embrace of truth belongs

my heart and soul.

I walk the path of righteousness...

My quest for justice is

enlighter by the blazing sun of harmony.

I refuse to partake

I refuse to partake

into man's craving for luxury.

A desire fueled

by the flames of greed.

In this world, nether culture is a legacy

of prejudices against

no human animals...
