

# Arkarna, Block Capital

One stolen breath within the city falls, Inhale the future you could have it all, It's such a nuclear war  
Don't follow me cause I'm lost too.

CHORUS: These words I scream in silence, I don't fit this shoe, With a passion building up inside the

I've got a high rise block inside my head, I hate to state the obvious but nothing is said, Pollute your

REPEAT CHORUS

Intoxicated sanity, The fabric of society, I need someone to stand by me, What's done is done, Just

These words I scream in silence, With a passion building up inside...
