

Arlissa, Hard To Love Somebody (ft. Nas)

Fearless Arlissa
Nas
We got one

Oh it's hard to love somebody when there's no more love to give
Oh you took away my sunshine, now rain is all there is.
and it's easy to get lost when you got nowhere left to go
oh it's hard to let somebody when all I want is
all I want is you

[Nas:]

Can we talk for a bit, brought you a minute to ()
When you walk I mean you switch and then goss me
lick you off my lips like salt n' vinegar chips
but now you act salty verbally you assault me
often I'm an All-star marksman you're my star ship
take my out tonight darling I beg your pardon
this wasn't part of our arrangement
now you're bangin on my door I need an order of restraint

Oh it's hard to love somebody when there's no more love to give
Oh you took away my sunshine, now rain is all there is.
and it's easy to get lost when you got nowhere left to go
oh it's hard to let somebody when all I want is you

[Nas:]

What you did to the kid ain't a bit as capital punishment
you wanna split that quick already done with us
you're the one I spend money with, when it's the summer with
thought we was more than sexual we was on some other
Your vision is silhouette while in Tuscany
luxury when you trust and expressing me
I just up and leave I'm staying sucker-free
it's hard to love somebody else but you
But now I'm missing you Arlissa

Oh it's hard to love somebody when there's no more love to give
Oh you took away my sunshine, now rain is all there is. (ya)
and it's easy to get lost when you got nowhere left to go (nowhere left to go)
oh it's hard to let somebody, it's hard to let somebody
when all I want is you, when all I want is you
you you you, you you you, you you you,
when all I want is you

You you you you you
All I want, all I need, yeah
Is you you you you you you
Just you, oh

Oh it's hard to love somebody when there's no more love to give
Oh you took away my sunshine, now rain is all there is. (ya)
and it's easy to get lost when you got nowhere left to go (nowhere left to go)
oh it's hard to let somebody, it's hard to let somebody
when all I want is you, when all I want is you
you you you, you you you, you you you, (just you)
when all I want is you
