

Arlo Guthrie, Someday

words and music by Arlo Guthrie

Someday I'll be there with you
When you're there I'll be there too
If you only knew
I will be with you

Someday we will meet again
When we meet I'll see you then
If you only knew
I'll be there with you

It will make this farewell seem
Little more than but a dream
If you only knew
Dreams are often true

Someday I'll be there with you
When you're there I'll be there too
If you only knew
I'll be there with you

Someday when we meet again
When we meet our sorrows end
If you only knew...
