

Arlo Guthrie, Wheel Of Fortune

Words and Music Arlo Guthrie

CHORUS:

Rolling, wheeling like I'm feeling
Everything's gonna carry on
You go your way, I'm going my way
We will come and so be gone

Wheel of fortune, turn for me now
Turn to trouble in the West
Wheels of completion rolling
Wait to put my mind to rest

CHORUS

Hey, Ezekiel, you can leave now
You got to go or stay so long
While your wheels just keep turning
Turn to rhythm right and wrong

CHORUS

Wheel of fortune, turn for me now
Turn to trouble in the West
Wheels of completion rolling
Wait to put my mind at rest
