

Armand Van Helden, Nyc Beat

Up town,
Down town,
Turn the beat around town,
Hip hopping, beat bopping,
There's no stopping to the sound of the New York City beat.

Up town,
Down town,
Turn the beat around town,
Hip hopping, beat bopping,
There's no stopping to the sound of the New York City beat.

Up town,
Down town,

Turn the beat around town,
Hip hopping, beat bopping,
There's no stopping to the sound of the New York City beat.
