Armand Van Helden, You Don't Know Me (Origin

(sample)
What was my problem with man you ask?
No, I ask you what was man's problem with me?

(Chorus)
You don't even know me
You say that I'm not living right
You don't understand me
So why do you judge my life?
You don't even know me
You say that I'm not living right
You don't understand me
So why do you judge my life?

I don't ask for nothing
I'm always holding my own
Every time I turn around, there's something
People talking 'bout what they don't know
And when I try to move on up
They're always pullin' me down
I'm tired and I've had enough
It's my life, and i'm living it now

(Chorus)

I always wonder why
People try to hurt me
No happiness in their own lives
So they act out all their jealousy
Who are you to say that I'm living wrong?
Always telling me what to do
I've decided that I gotta be strong
What makes you think that I needed you?
You don't know me

You don't even know me (ohh, you dont know me)
You say that I'm not livin' right (you don't understand the way that I feel)
You don't understand me (you can't even see my pain)
So why do you judge my life (oohhh you don't know)

(Chorus + Ad-Libs) (x3)

Who are you?
You say I'm not livin' right
Anything I try to do
You haven't walked in my shoes
I'm gonna move on
It's my life, it's my life (x3)

(Chorus + Ad-libs) (x2)
